Explain what happened

Date of change

hours a week or 80 hours a month

I have kept records thus a constant motive constantly to steal my personal property over the last two (6 months) periods, I have caused delays in process of lawsuit by procuring agents of DHS. A so-called 50-callsed our spokesperson Sarah Russo was particularly hostile while being interviewed having been advised not to say anything. Enemies of mine, the government is even making statements regarding is exceptional agreement and also.

about my income, property, or family may be charged with committing a felony

I would like to report the following information:

My living cost revenue is procured from exchange of CRV materials. I amounts to approximately \$20 per week, or \$80 per month. I have also received free-will along this period amounting to approximately \$2 per day. Record keeping of these sources is impracticable -- neither provides receipts. These above entail totality of my income. All-though approximated, this income is certainly within the poverty range in state for eligibility.

Resulting to such means has resulted from: 1. Blacklisting from employment (otherwise) affected by Government Misconduct in Conspiracy to Commit Violations of the Constitution..., 2. its Damages Caused with Malice Intent circumstantially causing my status of Indigency.

Therefore, prejudicial and malicious procedural obstruction ^{to by abuse of power} more egregious to intend. -- P.S.: Casework of relevant matters ^{is} proffered is majorly component to my actual vocations (exceptionally). Aforementioned ^{however, I need to eat also!}

And, I may be charged with committing a felony if more than \$950 in cash aid and/or CalFresh is wrongly paid out.
